WHAT WOULD THEY HAVE ME LEAVE OUT?"**

**BUDGET**

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

***"What would they have me cut? What would they have me leave out?"***

We are glad you asked, Mr. President.

### **Playing Games with Taxpayer Dollars**

What does the 2026 World Cup and COVID-19 recovery have in common? Well, nothing.

But that isn't stopping the State of New Jersey from [funneling \\$15 million from Biden's bailout bill](#) to "the World Cup and Meadowlands [Sports] Complex" in preparation for the big event...which, again, is occurring five years from now.

That's \$5 million more than the state plans to spend on county special service schools or food and hunger programs.

As the world reopens, let's by all means get back to enjoying sports. But maybe let's stop playing games with taxpayer dollars.

Stay tuned for more.
